On April 30, 2008, a subsidiary (the “Debtor”) of P.A.M. Transportation Services, Inc., entered into three separate installment note agreements (Note 1, Note 2, and Note 3, respectively) with DCFS USA LLC (the “Creditor”) representing combined borrowings of approximately \$15,000,000 to be used for the purchase of revenue equipment. Under the terms of Note 1, monthly installment payments in the amount of \$97,322 will be due beginning August 12, 2008 and on the twelfth day of each month thereafter with a final payment of \$1,968,564 due July 12, 2011. Under the terms of Note 2, monthly installment payments in the amount of \$97,316 will be due beginning August 12, 2008 and on the twelfth day of each month thereafter with a final payment of \$1,968,564 due July 12, 2011. Under the terms of Note 3, monthly installment payments in the amount of \$103,155 will be due beginning August 12, 2008 and on the twelfth day of each month thereafter with a final payment of \$2,086,677 due July 12, 2011.

Under the terms of each of the three separate installment note agreements, the Creditor has the right at its sole option to insist on immediate payment in full of all indebtedness upon the occurrence of any one or more of the following events: (1) failure of the Debtor to make any payment under the installment note agreement when due; or (2) Debtor default under any other loan, lease, extension of credit, or obligation owing to the Creditor or any affiliate of the Creditor; or (3) Debtor, without the Creditor’s consent (a) makes a significant change in the management, ownership or control; or (b) merges, transfers, acquires or consolidates with any other entity; or (4) Debtor become insolvent or the subject of a bankruptcy or other relief from creditors; or (5) if any of the equipment is seized under process of law; or (6) if any guaranty of the Debtor’s obligations under this agreement is withdrawn or becomes unenforceable for any reason; or (7) if Creditor reasonably believes itself to be insecure in the repayment of this installment note agreement; or (8) the Debtor is in default under any other provision of this installment note agreement. After default and acceleration, the Debtor agrees to continue to pay Creditor interest on the then unpaid balance of indebtedness at the rate of eighteen percent per annum, or such lesser rate as may be limited by law.
